The image shows a screenshot of a software window titled "MathLM Setup". The window has a blue title bar with standard Windows window controls (minimize, maximize, close) on the right. Inside the window, there is a section titled "MathLM Password" with a red Wolfram logo icon on the right. Below the title, there is instructional text: "For the MathLM server 'manio', you need to enter your activation key and a password from Wolfram Research. After typing a password into the password field, click Add. To remove a password, select the password from the box and click Remove." Below this text, there are three input fields: "MathID:" with the value "6202-28962-25126", "Activation key:" with the value "3789-5746-VLJ84A", and "Password:" with the value "5:1000,1000,8000,8000:9:20190606:CB". To the right of the password field are two buttons: "Add" and "Remove". Below the password field is an empty rectangular box. At the bottom right of the window is a "Next >" button.

MathLM Setup

MathLM Password

For the MathLM server "manio", you need to enter your activation key and a password from Wolfram Research. After typing a password into the password field, click Add. To remove a password, select the password from the box and click Remove.
